Happy New Year!

We at Fair Oaks have always strived to be a community with that “family feel”. Chris Kuntz is joining our family at the start of this new year. Chris will be the new Director of Sales & Marketing and his office will be located on the first floor behind the Security Desk. Chris is a seasoned professional in the Long-Term Care industry and brings with him many skills. Chris will be responsible for meeting, greeting and working with new residents and their families; maintaining our website and social media sites; rubbing elbows out in the community at hospitals and skilled facilities and work with the rest of the Fair Oaks team to make sure that we have the best, darn Personal Care Home! Be sure to stop down to say “hello” to Chris and make him feel welcome! He has his work cut out for him this year, but you will see for yourself that he is just the person for the job!

As the Administrator, it has been an honor and a privilege to serve you and your families. I always say that this is a people business. The residents who we care for have spent a life-time caring for others. They have sacrificed so much and have worked so hard through the years so that, now, they should reap the rewards and let others serve them. As humans ourselves, we have a hiccup or two on occasion when caring for so many people. If ever you have an issue, please reach out to me so that we can make it right! It is my commitment to you that you have the very best that we have to offer. I wish you all a very blessed, and Happy New Year!

Rev. Ing's Things

Dear Ones,

Happy New Year! We made it to 2022! Mark your calendars, it is going to be a big year. In Copenhagen, Fashion Week kicks off February 1, the first super moon of the year will show up on June 14 and the Eta Aquarids Meteor Shower will take place on May 6 and 7!

If these events don't excite you (they don't do much for me, to be honest) I hope this will: **Flicks and Faith: God in the Movies** is coming to Fair Oaks!

On the last Saturday of the month come on down to the Activities Room for a different kind of movie night! In January we'll be watching Harrison Ford in the Academy Award-winning film, **Witness**. After the movie, stick around to talk about the faith-related themes in the movie. Snacks will be served! The “talking” part is totally optional- the only mandatory part is FUN! Join us Saturday, January 29 at 6:00 pm! And please remember everyone is welcome at the chapel service on Sundays at 1:30 pm. We would love to worship with you!

Love, Pastor Ing

Thursday Night Live

Happy New Year Everyone!

Hope this finds everyone well and healthy. Fortunately we got through the Holidays without any major illnesses in the facility. I'm looking forward to all the new things that will be occurring here at Fair Oaks in this New Year.

On a side note we have been finding "over-the-counter" medications in residents rooms that are not ordered by the doctor. We are not permitted to have this in resident rooms and we will remove them as we find them. If there is a medication that your loved one wants we must get an order from the doctor and the med techs. will gladly administer it. If you have any questions about this regulation please feel free to contact me to discuss it.

Thank you!

Active Alex

Happy New Year Everyone!

It has been quite the year; we were able to start going on outings again, we started our Friends and Family events again, and have added a ton more activity content!

I want to remind everyone that activities suggestions are always welcome and there is a suggestion box located on the lower level outside of the Country Store!

We always want to make sure that our programming is catered to you, the residents, and so any feedback or suggestions are greatly appreciated!

I look forward to another great year with all of you!
